

As we enter the summer months, we remind everyone to please drive carefully, as the children are out of school and we anticipate our parks, beach and local restaurants to be very busy now that the pandemic is reaching its end.

We would like to remind everyone that parking at the beachfront is free to residents only with a parking pass. Please bring your license and registration to Borough Hall to obtain your parking pass, which is free of charge.

Heading into the coming months we will have quite a few Road Reconstruction Projects taking place throughout town which I have listed below:

Complete Reconstruction of 9th Street from Florence Avenue to Pine Street utilizing a 2020 Federal Community Development Block Grant of \$156,647

The Borough has been awarded a grant from the NJDOT Municipal Aid Grant Program for the Reconstruction of Prospect Avenue from Pine Street to the Easterly terminus at Flat Creek
Reconstruction of Victoria Place roadway with curbing on each side and drainage repairs/upgrades

In addition to these projects, we anticipate the completion of the newly renovated Municipal Building with a Dedication to follow. We will communicate the details of the Dedication in the near future.

The Governing Body continues working closely with the State and Army Corp of Engineers on the acquisitions of easements from property owners for Phase I Construction.

We also have some upcoming events this summer, including the UB5K on June 26th and Union Beach Fireworks show on July 3rd, with a rain date of July 5th. As always, you can find more information on our Borough website at www.ubnj.net

Finally, I want to Thank the entire Council, along with all of our Borough Employees, Professional Staff, First Responders, Volunteers and Residents for their hard work and dedication to our community each and every day to continue making Union Beach the Best Little Town in NJ!

May God Bless all of our First Responders and keep them safe! May God Bless all of you and your families!

Be Safe!

Charlie
